

Align the toggles as shown below

Measure across the toggles as shown below

If it measures less than 150mm you will require an Atlantic Slot Lock 170mm

If it measures less than 160mm you will require an Atlantic Slot Lock 195mm

If it measures less than 200mm you will require an Atlantic 230mm

If it measures over 200mm you will require an Atlantic 260mm

As shown in the example above 183mm will require an Atlantic Slot Lock 230mm
